at 0400 on Friday 23 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry, sunny and feeling hot on Friday.

Today:
Low cloud, mist and fog through the Central Belt will lift and disperse in the morning to give another hot sunny day. Most likely dry with just the outside chance of a heavy afternoon shower across Ayrshire. Maximum temperature 29 deg C (84 deg F).

Tonight:
A dry evening and night. Clear skies for most, but patchy low cloud mist and fog will spread west through the Central Belt in the early hours. Minimum temperature 13 deg C (55 deg F).

Saturday:
Low cloud through the Central Belt will once again burn off through the morning to give a dry warm sunny day. High cloud may turn the sunshine hazy at times. Maximum temperature 25 deg C (77 deg F).

Outlook for Sunday to Tuesday:
Dry warm and often sunny on Sunday, some overnight low cloud through the Central Belt. Cloudier with a chance of rain on Monday and Tuesday.
